

<p align="center"><b>Protective sliders</b>  <b>HONDA NTV 650</b></p>
<p align="center">Year of production: all                  Product code: 10115</p>

Assembly position  
(both sides)

#### Assembly instructions

1. Remove the screw indicated by the arrow.
2. Replace the removed screw by the new long screw (part #7), nuts (part #8), aluminium sleeves (parts #4) and metal bars (parts #3) according to the attached drawing. Put the metal bars (parts #3) in the right positions according to the drawing.
3. Assemble the sliders and the screws according to the drawing (parts #1, #2, #5, #6).
4. Assemble the screws #5 and the sliders with the metal bars #3.

We suggest to use the threadlocker to make sure that the screws do not get loose.

This product is entirely produced in the European Union. This product is a professional accessory to be used on the race track. Renner LTD takes no responsibility for any damages occurred despite of using protective accessories. For more information go to [www.renner-moto.com](http://www.renner-moto.com)
